

3D BEAR ORIGAMI INSTRUCTIONS

Reference photos to the right for final product.

1. Cut out the bear shape along the outline.
2. Cut out the arm shape.
3. Fold bear on sides. Tape or glue tabs inside.
4. Cut along top of hat so it sticks up.
5. Cut along edge of ears so they stick out.
6. Cut slits on each side to put the arm through.
